Field Trip—February 22-24 Rockport, TX

Come to Rockport on our annual field trip. There is a week-

end of photographing birds, wildlife, sunrises and sunsets. You are sure to see whooping cranes, sandhill cranes, pelicans galore, and a variety of shore birds. There is also a beautiful harbor just made for nighttime photography.

A block of rooms is being held for club members at the **Laguna Reef**, 1021 Water Street, Rockport. Rates are \$80.10 for an off-bay room and \$89.10 for a bayside room, plus tax. You need to make your own reservations by calling 800-248-1057. Mention the Houston Camera Club to get the reduced rate.

There will be a club dinner Saturday night, February 23. More details will be announced to attendees by email. It is important to let Lisa know that you will be attending.

Lisa Auerbach, Marc Auerbach, Field Trip Co-Chairs

Program—February 19 Jim Caldwell

Our speaker is Jim Caldwell, an award-winning professional photographer. He describes himself as a generalist and has over 35 years of experience working in Houston for a wide variety of clients. He has photographed everything from dancers to heart operations to food to offshore rigs to computers. He loves the variety of his work.

Jim is well known in Houston photographic circles. He works regularly with Houston Photographic Society. He was a founding member of Houston Center for Photography. He has taught photography courses and seminars. His work has been published worldwide and seen in exhibits.

Jim has always had an interest in the history of photography. His program for us will focus on some of what he has learned over the years about fascinating photographers such as Alfred Steiglitz.

Don't miss this program.

May Celebrate

March, 2013, Shootout

It's San Antonio's year to choose the location and timing of the Shootout. They have set Saturday and Sunday, **March 16 and 17**, as the dates. The event will be held over two days. Each individual can only participate on one of the days, Saturday or Sunday. March 23 and 24 are alternate days if the event needs to be postponed because of weather. The event will be held in and around Luling and will include the nearby Palmetto State Park area. San Antonio will announce additional rules and the subjects as the Shootout gets closer.

Please mark your calendars to reserve these dates. A key to winning is having a large number of members participating. We need a good turnout. We won last year and we would like to keep that trophy again this year.

Photographer Saying:

"I am not a painter, nor an artist. Therefore I can see straight, and that may be my undoing." **Alfred Stieglitz** **Member News: Evelyn** and **Joe Sandler** took a Carribean cruise in January. It was a relaxing week for them. They took cameras, but didn't take many pictures.

GSCCC Pictorial Projected Images

As a member of GSCCC, once a year our club is asked to judge a GSCCC contest. In January, we judged the GSCCC pictorial projected images. Those that attended saw interesting images from fifteen GSCCC clubs.

I am pleased that we had more volunteers than we needed. I'd like to thank each of you who contacted me offering to help.

I'd also like to specifically thank those that assisted in the judging. Our judges were Urvine Atkinson, Ross McEathron, and Joe Sandler. Gerry Jump and Marilyn Holloway recorded the scores. Rachel and Bill Burychka ran the scoring computer and John Niemand was our projectionist. Job well done. Thank you all!!
