Shootout Images Judging

Thank you for participating in the 2013 Shootout in Luling. Our club had a great turnout with seventeen members participating on Saturday and two on Sunday.

Submit entries to Bob Jump at hcc_digital@att.net by Thursday, **April 4**, in the early evening. You can enter one image for each of the categories. When you email your images, include the word, Shootout, in the subject line.

Judging of the HCC entries is scheduled for Monday, **April 8**. It will be held at Bayland Community Center and will start promptly at 7:00. Everyone is invited to attend.

New Members: We have four new members.

Jameela Al Amin uses Nikon equipment. She likes fine art and still life photography. She is already submitting images to competition. Wow!

Bill Farley uses Canon equipment and likes nature photography and landscapes. He is also interested in astronomical photography.

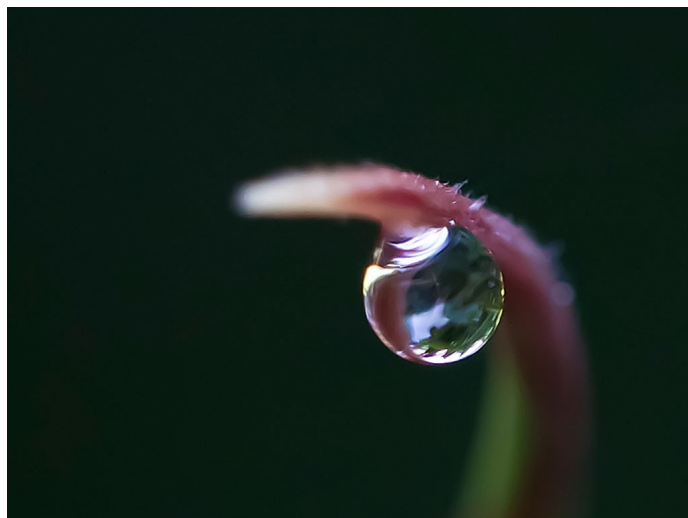

Lewis Krantz uses Canon equipment. He is interested in nature photography.

Mai Tran, a friend of Joe and Evelyn Sandler, prefers nature photography. She is also a member of the Houston Vietnam Photographic Art Society.

Welcome to you all. We look forward to getting to know you better.

Member News: **Leslie** and **John Niemand** made a quick trip to California. There wasn't a lot of time for photography.

Lisa and **Marc Auerbach** attended a wedding in New Orleans. Even though they both had cameras along, they didn't do any photography. They were just too busy eating, dancing and visiting.

Photographer Saying:

"For me the printing process is part of the magic of photography. It's that magic that can be exciting, disappointing, rewarding and frustrating all in the same few moments in the darkroom."
