

**Field Trip—May 24****Alkek Velodrome**

Join us Friday, May 24, at the Alkek Velodrome, a 333 meter, concrete cycling track. It was built in 1986 and has held every kind of competition from Junior Regionals to Olympic Qualifiers. A knowledgeable track racer will be available before the racing begins to explain the different types of races so we'll know what kind of action to expect.

Gates open at 5:00 p.m. and the races begin at 7:00 p.m. Let's meet between 6:30 and 6:45 at the entrance gate. If you arrive earlier, the Velodrome is part of a larger Park Complex which has other photography opportunities.

Bring your camera.. If you only bring one lens, it should be a medium to long telephoto., eg: 70-400mm. There will also be opportunities to use a normal, mid-range lens. A tripod may be more bother than it is worth, since the lighting is good. Read up on panning if you are not comfortable with this technique.

The velodrome is located in Cullen Park at 19008 Saums Rd, Houston, 77084. Admission is free. For additional information and also directions, check the web site, <http://houstonscycling.org/TrackInformation.php>

**Group Critique of Images—May 21**

Since our workshop has been scheduled for an alternate date, in the May 21 meeting, we, as a group, will critique member images. Submit up to three images, projected or prints, that have not previously been entered into competition. Submit projected images to Bob Jump at [hcc\\_digital@att.net](mailto:hcc_digital@att.net) by Saturday May 18. or bring a flash drive with your three images to the meeting. Or bring three prints.

This is an opportunity to get some comments from other photographers on how to improve images that you are working on. Come ready to see and learn.
