

No Field Trip In July

Field trips will not be held in the months of July, August and September. They will resume in October.

Workshop—July 16

Mark Katz—Portraiture Critique

Mark Katz is a professional photographer who specializes in portraits. Mark earned his C.P.P designation several years ago because of his photographic skill and knowledge. Mark is also a member of the Houston Camera Club.

Mark will lead the workshop on July 16. He will discuss images you bring with the objective of improving your techniques. The discussion could range from lighting to poses to even Photoshop techniques.

Bring several of you favorite images from the club’s outdoor portrait workshop held at the beginning of June. If you did not attend the outdoor portrait workshop, bring another portrait instead. If you have an portrait where something does not seem to work, bring that too. It might be instructional for us all.

Field Trip Ideas Needed

We had a great selection of field trips this year. Each took time and planning to get organized. Thank you to **Lisa and Marc Auerbach** for your hard work.

Lisa and Marc will continue as next year's Field Trip Chairs. They have asked for your ideas for field trips. If you know a good location for photography, please email Lisa. Her email address is in the club directory.

Please contribute your ideas. The more suggestions they have to work from, the better the field trips will be.

Images of the Year Submissions

Marcia Raskin, our club Secretary, will be sending each member a list of images eligible for the year-end competition. These are images that were submitted in competition from July, 2012, through June, 2013. For each competition category, you may submit one image from the category's list as an entry for the year-end competition.

Prints—**John and Leslie Niemand** will collect your print of the year entries at the workshop meeting, July 16/ Each print must be labeled with the original image title, maker, and category entered. If you can't be at the workshop, arrange to have another member bring your images.

Projected Images—Submit digital projected entries to **Bob Jump** at hcc_digital@att.net through midnight, July 16. The images must be the images originally submitted. Please use Year-end in your email title to indicate that these are year-end submissions.

The entries will be judged outside the club. Winners will be announced at the banquet in August.

Photographer Saying:

"A portrait is not made in the camera but on either side of it."

Edward Steichen

Member News: Lisa and Marc Auerbach are new grandparents. Tallulah Cook Bolstad was born June 10. Lisa and Marc were in Silver Spring, Maryland when she arrived. Grandparents, parents and child are all doing well.

San Antonio Wins 2013 Shootout

Despite our club's best efforts, San Antonio has taken home the trophy this year. But it was close. At the end of image judging, the score was tied at 168 for each club. To break the tie, each club's best of show image scores were added to the club's score. When the dust settled, San Antonio had won with 198 points to Houston Camera Club's 188.

A big thanks to everyone who participated. Seventeen HCC members submitted entries. **Rachel Burychka** had nine entries selected for the interclub competition. **Bob Jump** had eight, **John Niemand** had five, and **Henry Peterman** had four.

2014 will be here before you know it. It will be HCC's turn to organize the event, select the location and subjects.
