

Meets first and third Tuesdays of each month at Bayland Community Center, 6400 Bissonnet near Hillcroft

## Field Trip

### October 3—Hermann Park

October has the perfect weather to be outdoors. So, join us, October 3, at Hermann Park at 9:00 a.m. We'll meet just outside the zoo entrance near the steps down to the lake. We can shoot photos near that area of the park. We hope to see you there.

If you are a zoo member, this first weekend of the month gives you free and early admittance at 8:00 a.m. You can enjoy an hour there before meeting out near the lake. Lisa and Marc Auerbach, Field Trip Co-Chairs

## Program

### October 20

#### To Be Announced

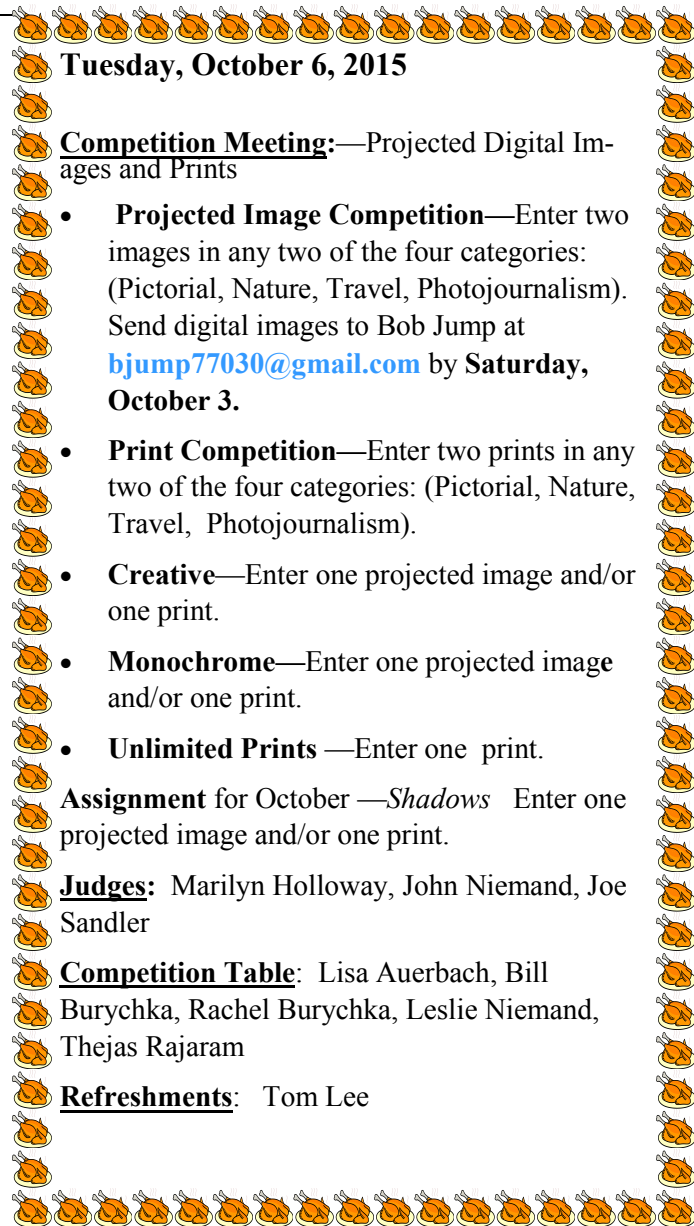

Ramiro Sanchez, Program Chair

## Calendar—Upcoming Activities

October 3	Field Trip—Hermann Park
October 6	Competition
October 20	Program

## Upcoming Assignments

November      Pattern or Patterns

December      Cloud Formations

January      Reflections — Not all reflections come from flat glossy surfaces. Explore reflections from curved or odd-shaped reflective materials. Try being aware of not only the reflected “scene” that you are shooting, but also the texture underneath your reflective material. Shooting reflections off of windows or glass-framed artwork can provide an opportunity for juxtaposition between the reflected and the pass-through scenes.

## Matt Daura Landscape Award

It is time to plan your submission for the upcoming Daura Landscape Award. In November, we will collect the landscape submissions for this contest.

The subject must be a landscape print. Prints are limited in size to 8 1/2” x 11”. Each member may submit one image to the contest.

The images will be judged outside the club and the winner will be announced at the Holiday dinner.

## Member News

**Alice and Urvine Atkinson** recently returned from a family reunion in England. Seven families from five countries gathered at the Perry Farm in Kent County, England. Photography opportunities abounded and the weather was good. They visited Canterbury, the White Cliffs of Dover, Margate, and London while there.

## Photographer Saying:

*What makes photography a strange invention is that its primary raw materials are light and time.*
