

Field Trip—None For February

Thank you to **Marcia Raskin** for leading the Buffalo Bayou Cistern trip last month. There were some really good photography opportunities.

Program—February 20

To Be Announced

2018 GSCCC Convention

The 2018 GSCCC Convention will be held April 19—21 in New Iberia, LA. The convention is filled with opportunities for photography. Several field trips have been announced. There will be, an evening with models posing in lovely gardens. Other photography activities will be available during the convention. Good speakers will be presenting a variety of subjects. One or more equipment vendors will be on site, and someone will be available to purchase used equipment.

This is an opportunity to build your photography skills in a variety of ways. The organizers of the convention have focussed on making this a very affordable three days. A special hotel rate has also been arranged.

Put this on your calendar, register and make hotel reservations, and join other HCC members for a fun few days. More information on the convention and how to register can be found at
