

**Program—July 17****A Trip To Patagonia**

Bill Dupré will present our July program. In March, Bill and Elaine took a sixteen day trip to Argentina and Chile. In the first part of the trip, they were on their own. Most was with a tour organized by Road Scholar.

Patagonia was on Bill's bucket list of places to see partly because of its geology. As with many trips, circumstances just came together allowing them to go. They visited Iguazu Falls in Argentina before joining the tour. After meeting their group in Buenos Aires, they toured the city. The tour also took them to Tierra del Fuego. They spent five days in the Patagonian glacier area and another five at Torres del Paine National Park. The tour ended in Santiago, Chile (wine tasting!).

Bill says: "It was a trip of a lifetime!" Come see why. Patagonia is an area of the world not many of us have visited.

## GSCCC Judging

Each year, our club is responsible for judging at least one GSCCC competition. In June, we judged Projected Pictorial Color and Projected Pictorial Monochrome images.

It takes a lot of people to run a interclub judging. Thank you to everyone who helped. Our judges were **Bill Dupre**, **Ross McEathron**, and **John Niemand**. Score keepers were **Rachel Burychka** and **Marilyn Holloway**. **Steve Goldberg** ran the scoring machine and **Bill Burychka** was our projectionist. **Leslie Niemand** worked with the submitting GSCCC clubs receiving their entries and reporting scores back to GSCCC.

Thank you everyone.

## Fireworks Photography

The Fourth of July is coming up shortly. Many of you are planning on photographing the fireworks. There are many thing to think about if you want the perfect image. Here is one article on the web that can help you to prepare. <http://digital-photography-school.com/how-to-photograph-fireworks/>

There are many more tips and techniques available with a simple search of the internet.

Happy photographing.

## Refreshments—One Volunteer Needed

Three members have volunteered to help with refreshments. We still need one more to to serve as co-hospitality chair. With four, each co-chair would be responsible for 3 months.

We all want to see the refreshments continue. The refreshment break at our meetings is an important opportunity to talk to other members about all things photographic. It might be club business. But, more often, it is a discussion about equipment, photographic techniques, or photographic locations.

We need help to have it continue. Please contact Bill Burychka.

## Year-end Image Submissions

**Rachel Buruychka**, our club's Secretary, has sent each member an individual list of images eligible for the year-end competitions. Eligible images are those submitted in competition from July, 2017, through June, 2018. For each competition category, you may submit one image from the category's list.

**Prints—Leslie and John Niemand** will collect your print of the year entries at the meetings, **July 3 and July 17**. Each print must be labeled with the original image title, maker, and category entered.

**July 17** is the deadline for print submissions. If you can't be at the meeting, arrange to have another member bring your entries to the meeting or get them to John and Leslie before that date.

**Projected Images—** Submit digital projected entries to Marilyn Holloway at **hccprojection@gmail.com** from **July 1** through midnight, Tuesday, **July 17**. The images must be those originally submitted. Use "Year-end" in your email subject to indicate that these are year-end submissions.

Entries will be judged outside the club. The winners will be announced at the banquet in August.

## Photographer Saying:

One doesn't stop seeing. One doesn't stop framing. It doesn't turn off and turn on. It's on all the time.
