GSCCC Convention in Dallas

ARE YOU GOING???

The Dallas Camera Club will host the GSCCC Convention being held **May 2 through May 4**. The website, Gulfstatesccc.org/convention-2019, has information on speakers, outings, and the activities that have been planned. You can make reservations from the website.

In the past, HCC camera club members have found GSCCC conventions offer a way to meet photographers from other clubs, learn new techniques, and build photography skills. If you go, you will be happy that you did.

Photographer Saying:

When I was on trips I used to put Polaroid's in a container with sea water, sand and pebbles. I'd swirl it all around to get scratches. It's this random element that I call 'the drip'. It's the drip which might splash onto the other side of the canvas when you're working on a painting and make you think 'that is good', possibly leading you to explore other things. My whole life is spent in search of the drip; it can change everything.
