

## Field Trip - May 18

### 1940 Air Terminal Museum, Houston

Meet at 10:00 for a Wings and Wheels morning at the museum. There is lots to see and photograph—the 1940's era building itself, interesting old cars, airplanes of various vintages, the original control tower, and access to the roof for photos of aircraft taking off and landing.

The address is 8325 Travelair Street, Houston, 77061, on the west side of Hobby Airport, off Telegraph Road.

For more info on the museum and directions, see [www.1940airterminal.org](http://www.1940airterminal.org)

Bill Burychka, Outling Leader

## Workshop - May 21

Ramiro Sanchez is our presenter. He will present an intermediate level review of Lightroom. His discussion will cover both Photoshop Lightroom CC, and Lightroom Classic CC ( Cloud based software).

## Field Trip Leaders Needed

Are you enjoying the field trips we have had so far this year? These have all been led by individuals offering to show everyone a favorite photography spot. Do you have a favorite place you go that others might enjoy too?

Please consider leading a field trip for us all. It doesn't take much effort and could be a lot of fun. There is one more field trip possible in June. Then the club takes a break over the hot days of summer.

Let Bill Burychka know if you can help in June.

## Photographer Saying:

No place is boring if you have had a good night's sleep and have a pocket full of unexposed film.
