

Program—Thursday, October 24

The Museum of Fine Arts, Houston

6:30 p.m.

Note the changed time and location. You need to be there a few minutes ahead of time.

Malcolm Daniel, Gus and Lyndall Wortham Curator of Photography at The Museum of Fine Arts, Houston, will welcome the Houston Camera Club behind the scenes for a private viewing of some of the Museum’s greatest photographic treasures. The MFAH collection of more than 30,000 photographs spans the history of the medium from its invention to the present day and includes work made on every continent by more than 4,000 artists.

Because entrance to the Museum is free on Thursdays, parking may be difficult. Leave extra time. For parking information, check at

<https://www.mfah.org/visit/parking/>

Arrive early and meet the group on the lower level of the Audrey Jones Beck Building (5601 Main Street), outside the café. We will be **escorted as a group** to the study room (not a publicly accessible location) for the program.

Space is **limited** to 40 participants. Reserve your place in advance by emailing Henry Peterman. If there is room, spouses will be welcome to attend.

New Members

Anatoliy Kosterev joined our club last month. He is an experienced photographer and is already entering competition. He enjoys city photography. Welcome Anatoliy.

Matt Daura Landscape Award

Plan your submission for the upcoming Daura Award. If you haven't got it organized already, now is time.

In November, we will collect the landscape submissions for this contest. The subject must be a landscape print. Prints are limited in size to 8 1/2" x 11". Each member may submit one image to the contest.

The images will be judged outside the club and the winner will be announced at the Holiday dinner. The winner will have his/her name engraved on a permanent plaque. The winning image will be displayed in the Bayland case.

Red River Paper

For those who print images, the club website (houstoncameraclub.org) has an affinity link to Red River Paper. The club gets a small percentage for sales originated through the website. If you set up an account with Red River, you also will get a small dividend usable for future purchases.

Red River Paper has an excellent assortment of papers including pre-scored stock for cards. They also have Canon and Epson inks.

Give them a try. And please remember to use the club website link when you do.

Suggested Club Changes

The club Executive Committee met on September 4. The committee discussed several items to streamline club administration. We will discuss those briefly at the October competition meeting.

- It has been proposed to move Earl Gilbert Architectural Award submissions to March. In the last several years, low submissions required extensions from January to February, and then to March, to get enough entrants.
- It has been proposed that the competition year, annual high point competition, and fiscal year be brought into alignment. This change is proposed in order to reduce administrative workload. This will necessitate a change to the club constitution and by-laws.

This will require a vote of the membership on November 5.
