

Meeting—Tuesday, May 5**6:30 By Audio/Video Conferencing**

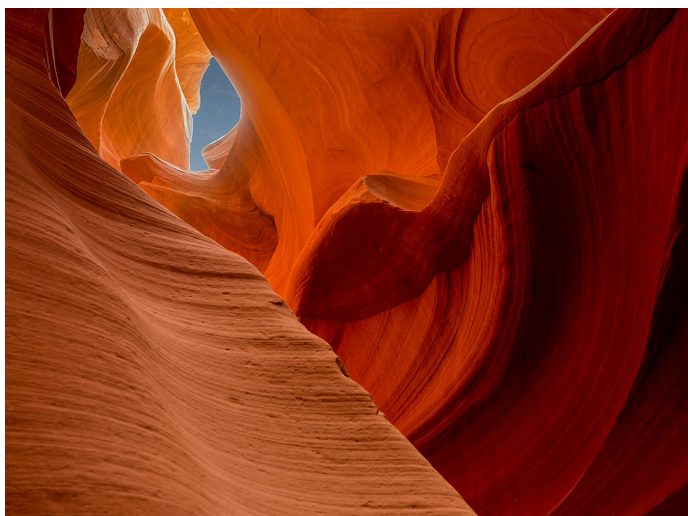

Please join us. If you haven't tried it, you will find video conferencing is kind of fun. No need to get fancy, slippers and old jeans are fine. Even the beverage of your choice. A huge benefit is that you have your very own screen to view images close-up.

Our May competition for projected images will be held by video conference, as in April. When we are able to meet again at Bayland, we will resume print competitions.

All members will receive an invitation to attend the HCC video conference a day before the "meeting". You will be able to **sign in to the conference at 6:00 p.m. The meeting and judging begins at 6:30 p.m.**

During the HCC meeting, please plan to mute your microphone. Background noise from those attending can be a problem for all.

If we, as a club, want to have programs in the upcoming year, someone needs to coordinate the activity.

Will you help? Would you be willing to share this job with another member? Do you know another member of the club that would be great for this job? Please spend a few minutes thinking about what would work. Then, let Terry know.
