Program—Tuesday, February 16

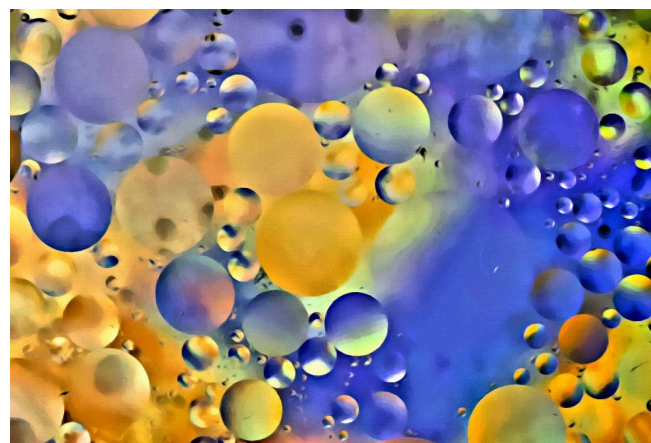

Ray Viator—Exploring Houston

Ray Viator, an author and photographer, will be the speaker at our program meeting. Twenty years ago Ray began a personal photographic challenge—to capture moon shots around Houston. “I find the moon everywhere, hiding in plain sight,” He will show us some of the results of this effort. He also uses the full moon as a graphic icon in his new book, Space City USA.

In his presentation, he will discuss his work and the techniques he uses.

See you then.

The subject must be a print. Prints are limited in size to 8 1/2" x 11". Each member may submit one image to the contest.

The images will be judged outside the club. The winner receives a plaque. The winning image will be displayed in the Bayland case.

Awards For Marilyn

John Niemand presented **Marilyn Holloway** with a number of GSCCC awards last week. These awards had been previously announced in the Rangefinder. But, it was exciting to be able to give her them all at the same time. She received six ribbons—for a 1st place, two 2nd place, a 3rd place, an Award of Merit, and an Honorable Mention win.

The most important of the awards was a Certificate for Honorable Mention from the PSA Councils Challenge 2020. Unknown to Marilyn, GSCCC had selected her image, *Osprey's Powerful Capture*, and submitted it to a special PSA Councils Challenge. This particular award is something to be cherished.

Congratulations, Marilyn.

Quarterly Print Competition Jan—Mar

There will be a quarterly print competition in March. Begin thinking about your submissions now. The date for print submissions will be announced in the March Rangefinder.

You can find the assignments for January, February and March in the January Rangefinder on the club website.
