HCC Scavenger Hunt

You received an email in the middle of April with the fifteen topics and dates for submission. Have you started to work on any of the topics yet? Just as a reminder, the first five images are due by **May 31**.

The first five topics are:

- 1. Primary Colors:** Red, yellow, blue; or a combination of colors including these or the three secondary colors (orange, green and violet). Any theme is ok.
- 2. In your yard:** Interesting shots from your back (or front) yard. Could be a bird feeder, a macro image of something tiny or anything else you happen to have in your yard.
- 3. Country Road:** Take a socially distanced drive along one of the many country roads in our area and find something interesting to shoot.
- 4. Landscape:** Could be captures from one of your country road drives.
- 5. Tree(s):** Either solitary or a grouping, or even a forest. Could even be simply roots.

Images need to be jpegs with a maximum dimensions of 1400 x 1050 pixels. But, there are no limitations on how the images were taken or how they were processed.

Images need to be labeled as follows:

Topic number _ Image Title _ Maker's First Initial then
Last Name

This format is similar to what you are used to for submitting images to competition.

1 _ Clown's Nose _ LNiemand

2 _ Spring Blooms _ LNiemand

They should be submitted to hccprojecion@gmail.com

These images will be critiqued at the **June 15** program meeting.
