The projected image competition will be held via video conferencing this month. All members will receive an email with the link to the video conference the day before the meeting. The judging begins at 6:30 p.m.

## Program, Tuesday, November 16

6:30 By Video Conference

Our November program presenter is Michael Bludworth. He is a volunteer historian with the 1940 Air Terminal Museum, located at Hobby Airport. He specializes in photo restoration and interpretation.

The museum is a beautiful and rare example of Art Deco airport architecture designed by noted local architect Joseph Finger who also designed Houston's City Hall. The terminal is operated by the Houston Aeronautical Heritage Society as an interactive museum. It showcases the role and importance of civil aviation in the Houston area since the beginning of manned flight.

## Holiday Dinner

The Holiday Dinner is our club's winter social event, and is held in mid-December. We always look forward to getting together and celebrating our friendship at this time of year. However, this year the Executive Committee has reluctantly decided not to hold the dinner due to the Covid pandemic.

When we are back to meeting in person, the club will schedule a special get-together.
